New Stabling Policy for 2010

Whilst we are trying to avoid implementing a £10 deposit on each stable, we would be grateful if everyone could make an effort to clean their stables before they leave the showground. They will be checked the following day and anyone leaving stables in a poor state will be charged £20.

How the Derby Classes Work

Derby Day Challenge (Castle & Popular Arenas) - October 2nd - 4th.

These classes will be run slightly different to the normal Wales & West Derbys.

This time all riders will start in the popular ring, there will be approximately 10 fences including banks, dykes and ditches. This section will be timed. Riders that complete this section of the course without any faults will then be allowed to jump out of the arena and then jump into the Castle Arena. Once in the Castle Arena, riders will complete the other fences, including the bank, the table and perhaps the hedge. This section will not be timed.

The winner of the class will be determined by, the rider that collects the fewest faults in the Castle Arena. Obviously only riders that jumped clear in the popular ring will be able to jump in this section. In the event of a tie in the number of faults in the Castle Arena, the rider that completed the course in the popular ring the fastest will be the winner.
